Sir:

**RENEWED PETITION UNDER 37 C.F.R. 1.137(b)**

The Applicant respectfully requests prompt consideration of the attached Renewed Petition For Revival For Revival Of An Application For Patent Abandoned Unintentionally pursuant to 37 C.F.R. §1.137(b) (hereafter "Petition for Revival"); and Response to Office Action pursuant to 37 C.F.R. §1.116 (hereafter "Response"). A Request for Continued Examination (RCE) now accompanies this Petition for Revival.

The original Petition For Revival was filed on June 2, 2006, to revive the application, which was abandoned unintentionally due to a docketing error. The Petition For Revival was filed along with a Response to *prima facie* place the application in condition for allowance. The Response merely incorporated the allowable subject matter indicated by the Examiner into the pending independent claims. No RCE was filed with the Response because no other issues were remaining in the application.

On January 10, 2007, the Examiner issued an Advisory Action raising new grounds of rejections under 35 U.S.C. 112, second paragraph, which resulted in the Petition for Revival being dismissed (as indicated by the decision on the petition dated January 12, 2007).

Accordingly, the Applicant now submits the following: 1) a grantable petition under 37 CFR 1.137(b); 2) a Response To Office Action responsive to the Office Action dated November 29, 2005, and the Advisory Action dated January 10, 2007; and 3) an RCE. No petition fee is

believed due given that the Applicant previously paid the petition fee. However, if any fees are due in connection with this application as a whole, the Director is authorized to deduct such fees from deposit account no. 02-1818. If such a deduction is made, please indicate the attorney docket no. PD-200372 (0115426-949) on the account statement.

In light of the above, the Applicant respectfully requests that the Petition for Revival be granted.

Respectfully submitted,

BY Mark D. Pratt
